

Form and Contents.

There's no doubt about it. Promising products need a form with the right contents. That's why we have at our disposal a complete range of cans, jars, bottles and other containers. So your product is filled perfectly and leaves a powerful impression in every respect.

As a medium-sized company with modern laboratories, fully automatic production plants and state-of-the-art filling lines, we make sure your product is in top form. And as a partner with the necessary expertise we assist your success on the market. Take advantage of our experience – it's worthwhile.

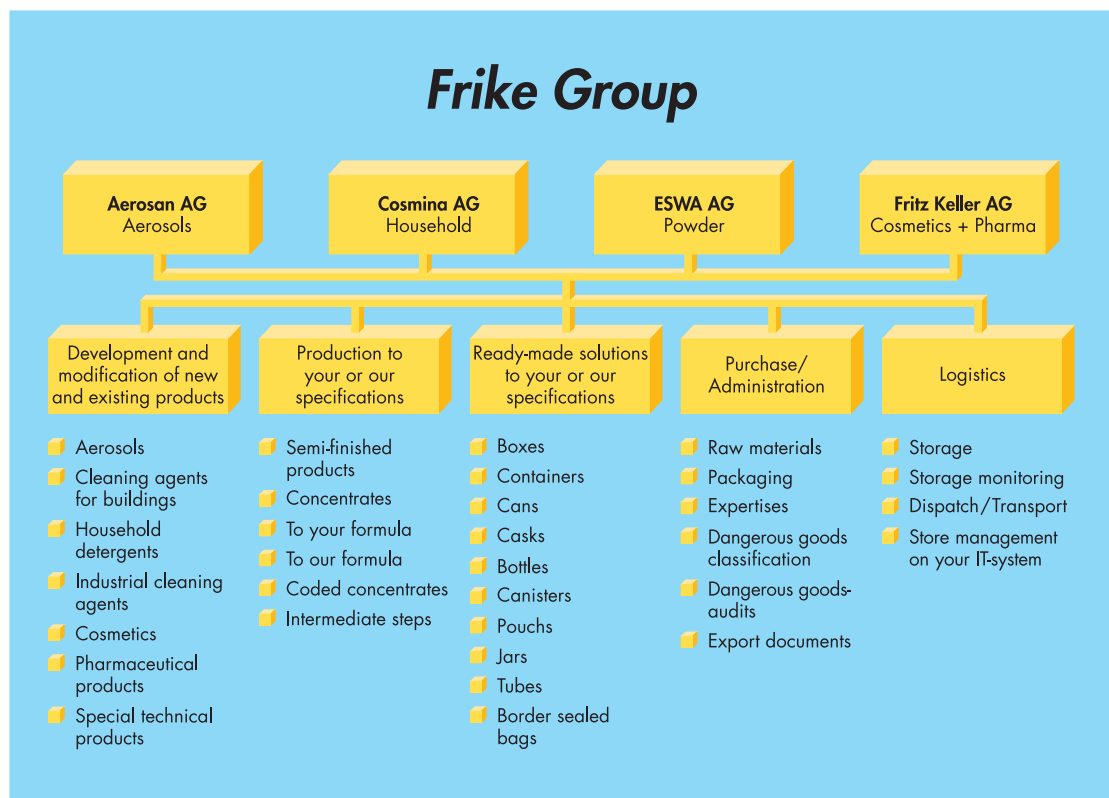

Completely in the service of your product.

Outsourcing: For more basics.

The best way is to make use of our experience as specialists in the development, manufacture and standardized production of cosmetic and pharmaceutical products, chemical-technical products, powders and aerosols.

But you should also take advantage of our long experience when developing new products. And you can't rule out the possibility that one or other of our inspired ideas may turn out to be a big hit.

Experience with us what experience can do.
